Trumansburg/Ulysses Recreation Program

Summer Recreation Program Update

Dear Parents & Guardians

Over the past week you may have learned that the Ithaca Youth Bureau and GIAC have canceled their summer camps and programming for 2020. The Cortland Youth Bureau has also canceled summer camp and many municipalities are waiting for further recommendations from the State of New York.

At this time, we have not canceled summer camp for Trumansburg/Ulysses. Planning is still taking place with a target opening timeframe of July. The Town of Ulysses has not opened registration for camps or sports clinics for the summer, however we are in a position to do so if the state allows for the opening of summer camps.

Registration for summer camps will be available online through a new registration program called RecDesk. The link to online registration will be available on the Town of Ulysses website. Each family will need to create an account and you will then be able to register for summer programs.

At this time, we are in close contact with the Tompkins County Health Department and are monitoring updates from the Centers for Disease Control for modifications that the summer program may need to put in place for the safety of the campers, staff, and the community at large.

The Town of Ulysses recognizes the severity of the current situation and we are committed to keeping our community safe during this pandemic. Due to this concern we are awaiting the State of New York recommendations before we move forward with summer programming.

If you have additional questions, please contact Will Glennon, Recreation Director at recreation@ulysses.ny.us

Sincerely,

Will Glennon
Recreation Director
