WATER DISTRICT INFORMATION

Town of Ulysses Water District 3 was instituted in 2003. The district runs primarily up Route 96 from the Town of Ithaca to the 1900 address section, including sections of Van Dorns Corners, Perry City, Jacksonville, Swamp College, Colegrove and Cold Springs Roads.

The district receives its water from [Bolton Point](#), via the Town of Ithaca.

The Town contracts with Bolton Point for various operational aspects of the system.
